

Design Your Own Wine Label Program

GUIDELINES

- File types we can work with:** Word, InDesign, Illustrator, Photoshop, PDF
- Dimensions:** 3 1/3 x 4" (page orientation is customer's choice) for bottles, or 2 x 4" for carafes
- Photos:** gif or jpeg
- Timeline:** If design is complete and label is ready for printing, two (2) weeks
If label needs customizing or design work, three (3) weeks
- Printer:** Standard or waterproof label sheets (6 labels per sheet) are printed on Xerox 6250DP color laser printer.
- Font:** Over 200 to choose from (see website at www.urbanwineworks.com).

When submitting the finished label, please include any clipart or photos used in a separate file.
